HOW TO READ THE MAP

The map of Luminara follows the path of Esmeralda's journey across the lands, seas, mountains, caves, and ancient places tied to the Seven Missions.

Each location marks a trial she must face before the next eclipse returns. Some places test her courage. Some test her wisdom. Some reveal secrets older than the road itself.

KEY LOCATIONS

LUMINARA

Esmeralda's home valley, where the journey begins.

THE BLACK MOUNTAIN

Morvanna's dark stronghold, where the Door of Darkness waits.

MISSION I — THE DESERT OF MORTAL SCORPIONS

The burning desert ruled by giant scorpions and the Queen Scorpion.

MISSION II — THE ISLAND OF THE SLEEPING DEAD

A silent island of ruins, ancient soldiers, and forgotten magic.

MISSION III — THE SNOW OF WISDOM

A sacred frozen mountain where answers are hidden in silence.

MISSION IV — THE ALPHA HYENA CHALLENGE

A wild land of dust and stone where strength must be understood, not only faced.

MISSION V — THE MAZE CAVE OF THE WHITE DIAMOND

A hidden cave of crystal, shadow, and winding paths.

MISSION VI — CAPTAIN ROOK GOLDHAND AND THE GOLD MAGIC SAND

Pirate waters, secret bargains, and a treasure that may help unlock the final path.

MISSION VII — THE PATH TO THE DOOR OF LIGHT

The last road, guarded by the ancient Path Protector.

JOURNEY NOTE

The map is not only a guide to places. It is a guide to Esmeralda's courage. Every location changes her, and every mission brings the eclipse closer.
