

THE SEVEN LIGHTS LABYRINTHS OF LUMINARA

A printable puzzle journey through Esmeralda's seven missions

Welcome to **The Seven Lights Labyrinths of Luminara**, a printable activity adventure inspired by *Esmeralda of Luminara and the Seven Lights*.

Across seven magical labyrinths, young readers will follow Esmeralda's path through the great missions of her journey — from the Desert of Mortal Scorpions to the Door of Light itself.

Each labyrinth represents one mission. Begin at **START**, trace the correct path through the maze, and reach the center to complete the mission.

But be careful: every path is different, every world has its own danger, and only those who stay focused can reach the heart of the labyrinth.

How to play

Use a pencil to find the path from **START** to **FINISH**.

When you reach the center of the labyrinth, the mission is complete.

Complete all seven labyrinths to follow Esmeralda's journey toward the Door of Light.
